Standard

Please Note: All failed parts must be returned to FTS for warranty coverage.

If warranty is expected, notification and estimates must be submitted to Fitzgerald Truck Sales before repair. In the event that a suitable estimate cannot be achieved, only Motor Manual Time Labor Guide labor and a maximum amount of 25% parts mark-up will be paid towards the repair. This warranty does not cover failures due to neglect, abuse or poor maintenance. This is not roadside assistance coverage.

FTS reserves the right to have the unit brought to our service facility for repairs. No out-of-pocket expense or rental vehicles are covered under this warranty. No compensation for down time or any other out-of-pocket expenses are included in this warranty. FTS reserves the right to ship the parts needed to the repair facility at our expense. Repairs can be made by any reliable reputable repair facility upon approval.

FITZGERALD GLIDER KITS, LLC WARRANTY INFORMATION

(April 2014)

Fitzgerald Glider Kits, LLC warranty department works hard to service and execute any warranty claims you may have in a timely manner. The warranty department is available to assist you Monday–Friday from 8 a.m. to 8 p.m. and Saturdays 8 a.m. to 12 p.m. Although most warranty issues can be taken care of without ever talking with our staff, we have set in place a great team to help you if you are ever in need of assistance. Call us at **888.331.7338** to get your warranty claim started.

STANDARD COVERAGE ON ALL WARRANTY OPTIONS

Cab and Chassis: The cab, front suspension, lights and accessories include a 1 year/100,000 mile nationwide warranty provided by the chassis manufacture and is accepted at any authorized OEM dealer.

Eaton Fuller Transmissions: 3 year unlimited mileage warranty provided by Eaton Fuller. This warranty is serviceable nationwide at any authorized Eaton Fuller Dealer.

Rear Axles: The rear axles are factory installed. All warranties on rear axles are nationwide and covered by the manufacturers guidelines.

WARRANTY LIMITATIONS AND EXCLUSIONS

- To be deemed a warrantable failure, the issue must meet or exceed the OEM's specs for a component failure.
- Fitzgerald Glider Kits, LLC reserves the right to extract a DDEC report and other maintenance records to help support warranty claims.
- Warranty can be denied based on evidence of abuse, neglect or poor maintenance.
- We reserve the right to ship parts, at our expense, to any repair facility.
- We reserve the right to transport a unit to our facility or any other facility as deemed necessary.
- Diagnostics are paid only if repairs are made.
- We pay Motor Manual/Detroit SRT times at \$105.00 per hour maximum.
- Warranty does not reimburse for out of pocket expenses, downtime or rental units.
- Warranty is not transferable.
- RPM's turned above 1800 will void the engine warranty.
- Fitzgerald Glider Kits, LLC has the right to have failed parts returned for inspection before reimbursement is made.
- Any engine modifications made to the engine without Fitzgerald Glider Kits, LLC written permission may void engine warranty.
- Prior approval should be obtained before repairs are done.
- Warranty guidelines will apply on any after hour repairs made where reimbursement is expected.
- **All axle alignments are the responsibility of the customer.**
- Clutch and overhead are the customers responsibility.
